

The screenshot displays the SolidWorks application window. The 'Sketch' menu is open, showing a list of sketching tools and their keyboard shortcuts. The 'Sketch' menu item in the top bar is highlighted in blue. The 'Object browser' on the left shows a tree structure with 'Part_1' selected, containing parameters (L=3000, B=300, H=400) and construction features. The right side of the image shows the 'Task Pane' with various tool icons.

Tool	Shortcut
Sketch	Ctrl+4
Point	Ctrl+Shift+P
Line	Ctrl+Shift+_
